My dear Mr. Howell:

Not long ago I was agreeably surprised to learn of your removal to South Milwaukee and residence upon Hawthorne Avenue, the aristocrat of streets in our southern suburb.

This note is simply to extend greetings and incidentally to accompany a little reprint from the I.R.E. "Proceedings" which I am sure you will find interesting.

Do I understand correctly from Messrs. Wareing and Quentin that 9CVI will soon return to the air? Perhaps I shall see you at some not distant meeting of the MRAC, which society, I regret, I am no longer quite as active in.

With every good wish, I am

Very cordially yours,
